

## Online ordering at Excelsior Public School Canteen

In 2017 our school canteen introduced a new ordering system. This was phased in over a 12-month period and we now operate 100% online. This streamlines our process, which gives us time to provide your children and the staff a lunch on time 5 days a week.

The online ordering system is called QKR!

All you need to do to use it is download the App '[Qkr](#)' to your Smartphone and register your child/children. The Qkr! link above will take you to a page with information about Qkr! and a link to download it from the App Store and Google Play (scroll to the bottom).

We hope you will all enjoy using the App. There is a **cut off time for ordering at 8.50 each morning for that day's lunches, so please remember to get your orders in on time.**

If your child is sick and you wish to cancel your order, you can do this prior to the 8.50am deadline and receive a credit on your Qkr account to use next time. You can also place orders up to 2 weeks in advance.

We look forward to receiving your orders.
